

# semaine des entrepreneurs à l'école

Do you have any ideas on how **to improve** your school?

As part of the **Semaine des entrepreneurs à l'école**, an entrepreneur visited your school and gave a presentation. Now it's your turn to catch the entrepreneurial spirit and develop a project of your own!

Here is what other students like you have come up with in the past:

### Les Webofun

Interactive placemat for browsing the web  
Capitale-Nationale – Elementary Cycle One

### Les tawashis de MiniRecy

Textile recycling  
Montréal – Elementary Cycle One

### Bombes de bain de Création Makenzo

Creating bath bombs  
Bas-Saint-Laurent – Elementary Cycle Two

### Les Fantastiques

Scientific information capsules  
Outaouais – Elementary Cycle Two

### Douceurs en pot

Preparing homemade delicacies  
Nord-du-Québec – Elementary Cycle Three

### La fabrique à bidules

Balance boards (moving while standing still)  
Saguenay-Lac-Saint-Jean – Elementary Cycle Three

## Are you developing a project with your class?

Ask your teacher to sign you up for the OSEntreprendre Challenge!  
Everyone will receive a badge!
