

semaine des entrepreneurs à l'école

Take action
and bring your
ideas to life!

As part of the **Semaine des entrepreneurs à l'école**, an entrepreneur visited your school and gave a presentation. Catch the entrepreneurial spirit and develop a project at school with your class or as an extracurricular activity!

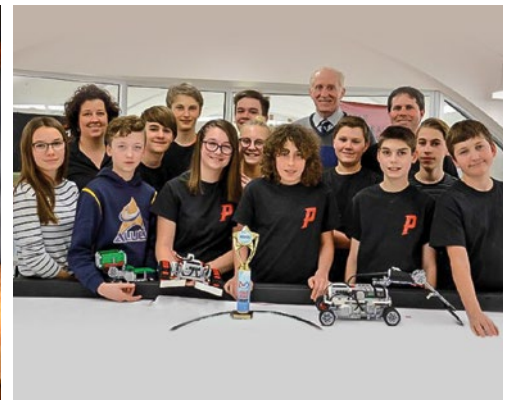

Here are some examples of projects created by other secondary school students:

S.O.S. Chauves-souris
Helping out the bat population!
Mauricie – Secondary Cycle One

An evening full of theatre, poetry and... chocolate
Theatrical sketches, poetry and music
Estrie – Secondary Cycle One

Robotique FIRST Lego League – Les Pionniers
Building and programming a robot
Chaudière-Appalaches – Secondary Cycle One

Serre-toi
Environmental hydroponic greenhouse project
Capitale-Nationale – Secondary Cycle Two

Smoothie Shop
Making delicious smoothies
Bas-Saint-Laurent – Secondary Cycle Two

Magasin scolaire – Station PL
School store for responsible consumption
Montréal – Secondary Cycle Two

Are you taking action?

Have your project recognized! Ask your teacher to sign you up for the OSEntreprenre Challenge! Every participant will receive a badge to show his or her entrepreneurial spirit! Major prize contests are held at the regional and national levels!
