# Education Through Entrepreneurial Spirit

Perseverance  
and success

OECD BLI  
satisfaction

**Self-affirmation**

**“I am an e”**

Affirm one's identity.  
Tools for belonging.

**Acknowledgement**

**“You are an e”**

Gain recognition.  
Certificate. Winners. Prizes.

**Experimentation**

**“I am carrying out  
an e project”**

Put ideas into action.  
Execute an idea, a project.

**Awareness**

**“I am a witness to e”**

Visit businesses. Case studies.  
Conference.

More specifically, Education Through Entrepreneurial Spirit in schools contributes to:

- Placing learning in context (what it's for)
- Building identity (discover who I am)
- Developing a feeling of competence (what I'm good at)
- Providing career guidance (what I like to do)
- Creating a sense of belonging

**Six keys  
to success**

Use the  
4 levers among  
students

Involve  
community  
stakeholders

Collaborate  
with  
colleagues

Allocate  
resources

Add the approach  
to the educational  
project

Use the  
available  
tools
