

**Evaluation Checklist**

Doing Business Together section

Project title:		
Evaluation criteria:		
<b>Orientations</b>	The company orientations for doing business with Québec suppliers are realistic, sustainable, adapted to its sector of activity and age, and are focused on moving its practices forward.	/20
<b>Progress</b>	The company demonstrates how it has moved forward in doing business with Québec suppliers. These results are backed by its expense ratio, increased use of Québec suppliers or a certain purchasing volume from these suppliers.	/20
<b>Examples of partnerships</b>	The business describes the wealth of initiatives developed with selected suppliers (one to three examples) and the spinoffs (human, community, economic, etc.).	/20
<b>Promotion</b>	The business makes its purchasing practices known to its peers, suppliers, employees, community, etc.).	/20
<b>Profile of entrepreneurial team</b>	The team demonstrates skills, capacities, attitudes and leadership aptitudes as well as a personality that inspires young people and other entrepreneurs.	/20
<b>TOTAL</b>	<i>Reminder – In order for a project to be eligible for a prize, the jury must have given it a minimum grade of 60%.</i>	/100
