in prizes**

**Do yourself
proud!**

Scholastic

Elementary and secondary

Do you use your creativity in carrying out entrepreneurial experimentation with your students? Register your project for the OSEntreprendre Challenge to showcase their achievements!

Entrepreneurial experimentation helps to build identity, and foster motivation and educational success. School stakeholders who use this approach find greater enjoyment in teaching!

College and university

Did you participate in an entrepreneurial initiative on your campus? Tell us about it and take on the challenge of submitting it to a jury. You could even win a cash prize!

Business

Business Creation

Are you leaping into a new entrepreneurial adventure? You could expand your network, share your passion and even get the opportunity to go through the jury process to win a cash prize!

Doing Business Together

Does your business prioritize dealing with Québec suppliers? Showcase your purchasing practices, inspire other entrepreneurs and become a proud ambassador!
